Dear Ms. Bagot,

The Management and Staff of Georgetown Public Hospital Corporation wish to extend to the Organization for Social & Health Advancement for Guyana (OSHAG) our gratitude for the recent visit/training of nurses in the administering of chemotherapy and overall assistance in making our Chemo Unit treatment friendly.

This is a work in progress and your offer of continued collaboration is very much anticipated.

Please convey to all the members of the team GPHC's appreciation for the effort and personal sacrifices which were invested to make this venture a reality.

Yours sincerely,

Michael H. Khan
Chief Executive Officer
Georgetown Public Hospital Corporation
